# MODEL 1400 SHOP SWEEPER

For ferrous metal cleaning of flat, smooth flooring. The 1400 series shop sweeper is designed with a release lever to ease removal of ferrous materials. Extremely rugged and built to last out of welded stainless and mild steel. Utilizing our special "CER8" magnetics to provide the optimum field strength and coverage.

- Light Weight
- Handle design for easy cleaning
- All welded construction
- Powerful permanent magnet
